

So that we can give you guidance before you continue your studies, we would like you to complete the following checklist. NB Please note that this is not an application form.

Attach the documents you have and send them with this checklist to nyanland.vagledning@chalmers.se. We will look through your documents and you will receive an answer within about 6 weeks. If you have a degree which corresponds to a bachelor's degree, you should apply directly for a master's programme via antagning.se; in this case you do not need to complete the checklist below.
