## Professional goal

My goal is to create value and drive society forward benefiting from my competences in law and business whilst putting my analytical and creative skills to good use.

## Academic achievements

### PhD Candidate

*Chalmers University of Technology*

Current position involving research as well as giving lectures on legal topics

**2016-present**

### Master of Law (Sw: Juris. Kandidatexamen)

*Gothenburg School of Economics and Commercial Law*

My master thesis in legal philosophy is a dystopic novel depicting different ideas relating to freedoms, rights, responsibilities and power for individuals, states and corporations.

**2002-2005**

### Master of Business Management (Sw: Ekonomie Magisterexamen)

*Gothenburg School of Economics and Commercial Law*

The program has provided me with a deep understanding of management and business creation.

**2003-2004**

### Bachelor of Business Administration (Sw: Civilekonomexamen)

*Gothenburg School of Economics and Commercial Law*

During the fall semester of 2001 I studied at Copenhagen Business School.

**1999-2002**

Classes included: Finance, Supply Chain Management, Marketing and American Law.

## Legal work experience

### Knowledge Manager, Legal Counsel

*Corporate Legal, Volvo Group Headquarter*

At Volvo I was responsible for setting up a legal Knowledge Management function. Responsibilities entailed establishing digital platforms to ensure efficient knowledge sharing in a global network, establishing new processes for efficient work and communication. I was also in charge of creating and running an introduction and education programme, and have given lectures at Handels-högskolan in Gothenburg and at an Ontologies and Taxonomies conference in Copenhagen.

**2013-2016**

### Legal Associate

*Mannheimer Swartling Law Firm, Gothenburg*

I specialized in M&A and in general Business Law, but I also worked with Competition Law, Environmental Law and with Intellectual Property Law. 25 percent of my time was devoted to CSR and sustainability issues. I worked within a small group forming strategies for both internal matters and external consultancy building a business around CSR. I also held training sessions, gave presentations at breakfast seminars and at an international pro-bono conference in Berlin.

**2010-2013**

### Court Clerk (Sw: Tingsnotarie)

*Uddevalla District Court*

The work included both judging criminal cases and leading negotiations between civil parties. Tasks involved preparing cases, analyzing legal questions, writing judgement, leading the court clerk collective and having contact with the local citizens in legal matters.

**2006-2010**

## Appointments and student activities

### Member of the jury of Venture Cup

It is very inspiring to be part of making ideas into sustainable businesses. Being on the Venture Cup Jury has given me insight in many different industries and business and has also given me an extensive and very broad network.

**2011-present**

### Board member of KYAJ

KYAJ was an organisation for business law associates in Gothenburg. Also a good platform for networking. Whilst on the board I arranged a program of visits to many of the most prominent organizations in Gothenburg: including Volvo, Stena, Västsvenska Handelskammaren etc.

**2011-2013**

### Finalist in European Law Moot Court Competition

This competition in EC-law contains both written and oral elements. The finals took place in Madrid and consisted of presentations in both English and French.

**2005**
