## EMPLOYMENTS, PROJECTS AND ASSIGNMENTS

- 191101-211031 Project leader for the research project *Together we build – a method for young self-builders to create homes and meeting places* funded by Formas.
- 190101-191231 Project leader for the research project *Methods for participatory design and collaborative construction* funded by Adlerbertska.
- 171201-191130 Researcher in the project *Co-housing with newly arrived refugees, young and elderly* funded by Vinnova.
- 170101-191231 Researcher in the project *Children as Co-Creators of the Urban Space* funded by Formas.
- 170101-171231 Project leader for the research project *How do the residents of Hammarkullen perceive their environment? - Visual mapping with Maptionnaire of different values prior to renovation* funded by Adlerbertska.
- 160701-190630 Researcher in the project *Compact cities and informal settlements: Exploring qualities, drivers and strategies for promoting sustainable urban development* funded by Formas.
- 140101-181231 Steering committee for and researcher in the *National Transdisciplinary Centre of Excellence for Integrated Sustainable Renovation*, funded by Formas. Project leader for *Learning Lab Hammarkullen: Codesigning Renovation* in WP3.
- 140101-181231 Researcher in the project *Compact Cities? Exploring qualities, drivers and strategies for promoting mixed-use urban development* funded by Formas.
- 140101-161231 Researcher in the project *Bridging the Gap: Children and Planners Co-Creating the Urban Space* funded by Formas.
- 131001-160930 Researcher in *OIKONET – A global multidisciplinary network on housing research and learning* funded by EU.
- 130101-150331 Project leader for the research project *Codesign in urban planning in Cuba* funded by Adlerbertska.
- 110601- Permanent employment as Associate Professor, Chalmers Architecture, Gothenburg.
- 110101-130631 Project leader for the research project *Interplace—The interplay between citizen initiatives and invited participation in urban planning: An interaction research project*. Funded by Formas in the call *Samordnad stadsutveckling*.
- 100101-120531 Project leader for the Mistra Urban Futures pilot project 3: *Urban Empowerment: Cultures of participation and learning*. Chalmers Architecture.
- 100101-120229 Vice manager, initiator, representative for Chalmers for the *Centre for Urban studies Hammarkullen*, Chalmers and University of Gothenburg.
- 090101-120113 Master Course Assignment, Chalmers Architecture. Examiner and project leader for the design studio *Suburbs – design & future challenges* 22,5 ects (Hammarkullen, Gothenburg) in the master programme *Design for Sustainable Development*. Chalmers Architecture.
- 110115-110601 Local coordinator in Hammarkullen for one master student thesis in the master programme *Design for Sustainable Development*. Chalmers Architecture.
- 100820-110115 Local coordinator in Hammarkullen for one master student thesis in the master programme *Design for Sustainable Development*. Chalmers Architecture.
- 100101-110531 Permanent employment as researcher, Chalmers Architecture, Gothenburg.
- 090101-090602 Examiner for three master student theses in the master programme *Design for Sustainable*

- Development*. Chalmers Architecture.
- 080101-081231 Evaluation Assignment, Region Västra Götaland. Evaluation of *Health 360°*, which is a project about youths' participation in urban development processes funded by the Public Health Committee. Chalmers Architecture.
- 080101-081231 Master Course Assignment, Chalmers Architecture. Initiator and teacher in the design studio *Suburbs – design & future challenges* (Hammarkullen, Gothenburg) in the master programme Design for Sustainable Development. Chalmers Architecture.
- 080101-081231 Master Course Assignment, Chalmers Architecture. Teacher in the design studio *Design in a Southern Context* (Zanzibar, Tanzania) in the master programme Design for Sustainable Development. Chalmers Architecture.
- 071001-090630 Coordinator Assignment, Chalmers University of Technology. Coordinator for Chalmers as *UN-HABITAT Partner University*.
- 070101-081231 Coordinator Assignment, Centre for Environment and Sustainability, Chalmers. Investigating the prerequisites for initiating a *National Research School on Sustainable Urban Development* at Chalmers. Chalmers Architecture.
- 070101-071231 Post-graduate Course Assignment, Chalmers Architecture. Setting up a *Case Study Course* for doctoral candidates in the field of architecture and planning. Chalmers Architecture.
- 060109-060227 Teacher in the ground course *Theory and Text*. Chalmers Architecture.
- 050501-071231 Researcher in the research project *In the name of safety* funded by Formas. An interdisciplinary project about public housing, local partnership, safety and social exclusion. The Department of Sociology, Gothenburg University and Chalmers Architecture.
- 051222-060403 Process Leading Assignment, City District Administration of Biskopsgården, Gothenburg. A citizen group having an advisory role towards the Town Planning Department when working with the densification programme for the city district. Chalmers Architecture.
- 040901-050428 Evaluation Assignment, Swedish Environmental Protection Agency. Evaluation of the *Local Investment Programmes* from the point of view of environmental and social aspects. Project leader, Chalmers Architecture.
- 040901-100630 Assistant supervisor for doctoral candidate Pål Castell. Chalmers Architecture.
- 020101-040630 Evaluation Assignments, the Municipal Board of Administration of Gothenburg. Evaluation of the *Local Development Agreements* in Gothenburg from the point of view of democracy and social inclusion on the one hand and the physical environment and feeling of safety on the other hand. The Department of Culture studies, Gothenburg University and Chalmers Architecture.
- 010115-030330 Teacher in the ground course *Sustainability, Building and Planning*. Chalmers Architecture.
- 000115-020330 Teacher in the ground course *Sustainability, Building and Planning*. Chalmers Architecture.
- 990101-040831 PhD student in *Built Environment & Sustainable Development*, Chalmers Architecture.
- 980901-981231 Program writing for research project, Chalmers Architecture.
- 910121-921010 Architect, Kjell Palmeby Arkitektkontor AB, Gothenburg.
- 891009-910125 Architect, White Arkitekter AB, Gothenburg.
- 880201-880701 Practice in architect's office, Arkitektkontoret Vallgatan13 AB, Gothenburg.
- 851001-860815 Assistant supervisor at building site, Göteborgs Stads Bostadsaktiebolag
- 841217-850104 Practice at building site, Armerad Betong Vägförbättringar AB, Gothenburg.

## EDUCATION

- 130601 Diploma of Higher Education: *Supervisor Forum*, Chalmers University of Technology.
- 090604 Diploma of Higher Education, 6 credit points: *Pedagogical project*. The IT University of Göteborg, Chalmers University of Technology, Göteborg University.
- 090520 Associate Professor in Architecture with specialization in Urban Design and Planning. Title of lecture: *Citizen Participation in Planning and other Social Aspects of Sustainable Development*. Chalmers Architecture.
- 081030 Diploma of Higher Education, 3 credit points: *Teaching, Learning and Evaluation*. The IT University of Göteborg, Chalmers University of Technology, Göteborg University.
- 080605 Diploma of Higher Education, 3 credit points: *Popular Science Communication*. The IT University of Göteborg, Chalmers University of Technology, Göteborg University.

- 070420 Diploma of Higher Education, 3 credit points: *Supervision of Research: Principles, Models and Issues*. The IT University of Göteborg, Chalmers University of Technology, Göteborg University.
- 040421 Doctor of Philosophy. Title of the thesis: *Planning in Interplace? On Time, Power and Learning in Local Activities Aiming at Social Inclusion and Sustainable Development*. Opponent: Prof. Murray Stewart, University of the West of England, Bristol, U.K. Examiner and principle advisor: Prof. Björn Malbert, assistant advisors: Dr. Henriette Söderberg, and Dr. Lena Falkheden. Department of Built Environment & Sustainable Development, Chalmers Architecture.
- 010829 Licentiate of Architecture, Chalmers Architecture.
- 980112-980531 The future for suburban areas 10p, Chalmers Architecture.
- 960911-970510 Urban planning with environmental concern 20p, Chalmers Architecture.
- 950123-950428 Planning and construction with environmental concern 10p, Chalmers Architecture.
- 830901-890913 Master of architecture 180p, Chalmers Architecture.
- 800901-810119 Marketing 13p, Gothenburg University.
- 800120-800831 Juridical basic course 10p, Gothenburg University.
- 790901-800119 Business economist 15p, Gothenburg University.
- 780901-790831 Information technique 40p, Gothenburg University.

One project of the Master of architecture and the thesis were realized in Buenos Aires and Mendoza in Argentina, in cooperation with Universidad Tecnológica Nacional and the Royal Institute of Technology, Stockholm:

- 870121-870820 The first project contained two parts: a) Inventory studies for realization of better housing conditions in different slum areas in Argentina. b) Design and construction of a community house in Barrio Brandsen, a slum area in Mendoza.
- 880919-890515 The title of the thesis is 'Casa Aguirre – Design Based on the Users Decisions, Resource-Saving Materials and the Local Eco-System' and describes the process which leads to the design of the house of the family Aguirre.

## LANGUAGES

Swedish; speak, write and read English; speak, write and read Spanish to some extent; understand some Portugues.

## COMMISSIONS AND OTHER MERITS

- 160301-161130 Organizing committee for the 17th N-AERUS Conference 2016 in Sweden: *Governing, Planning and Managing The City in an Uncertain World. Comparative Perspectives On Everyday Practices*. 17-19 November 2016, School of Public Administration, University of Gothenburg.
- 140101-181231 Steering committee for and researcher in the *National Transdisciplinary Centre of Excellence for Integrated Sustainable Renovation*, funded by Formas. Project leader for *Learning Lab Hammarkullen: Codesigning Renovation* in WP3.
- 110601-120130 Member of one of visionary teams (The Growing City), initiated by Gothenburg's city council, for coming with suggestions of the 400-year-celebration of Gothenburg in 2021.
- 100101-120229 Vice manager and representative for Chalmers for the *Centre for Urban studies Hammarkullen*, the GU and Chalmers campus in the North-eastern part of Gothenburg.
- 100201-101231 Delegate for Chalmers Architecture in the Steering Group for *Security and Emergency Management* (TSS—Trygg Säker Stad), Gothenburg.
- 090101-101231 Member of the Swedish scientific reference group of European Union Knowledge Network (EUKN).
- 060501-061231 Member of the advisory group of the project 'Invest Socially' at the Swedish Council for Sustainable Development.
- 050416-070412 Member of the board of the Swedish Research Association for Sustainable Development.
- 031011-031009 Planning and implementation of a series of seminars for inhabitants, employees and politicians on the theme of democracy, in cooperation with the City District Committée Biskopsgården,

- Göteborg. The aim was to implement the results from the evaluation of the Local Development Agreements in the local plan for democracy in the city district.
- 001101-020331 Editor for the newsletter of Chalmers Architecture.
- 001101 Design and system for distribution of the newsletter of Chalmers Architecture.
- 990129 Planning and implementation of a Research Day with project presentations from the research programme Sustainable Building, in the further education Stadsbyggande med miljöhänsyn (Urban planning with environmental concern), Chalmers Architecture, Göteborg.
- 981230-011108 Chairman of Tenant-owner's Association Bäckén in Göteborg
- 910215-920220 Chairman of Brazilian-Swedish Cultural Association A Bunda in Göteborg
