### Apr. 2016 - Present

#### Project Assistant / Chalmers University of Technology

- International laboratory for research project in urban form (SMoL)  
- Coordinating the pedestrian survey for SMoL in three cities - Stockholm, Amsterdam and London  
- Making GIS & Spatial Analysis tutorials and teaching in the Master Studio Spatial Morphology Studio

### Jul. 2013 - Apr. 2014

#### Architect / Shenzhen Branch of Southeast University Architectural Design and Research Institute Co.,Ltd.

Worked with housing and public building projects in a team of several architects and cooperated with colleagues in civil engineering department; worked in all phases of a design process, from developing concept, producing technical drawings and documents for presentations and construction, also joined meetings with our clients.

### Autumn, 2012

#### Internship / Qingdao Institute of Public Architectural Design Co., Ltd.

Worked mainly with small scale buildings; participated in discussions on conceptual design; produced drawings in AutoCAD; attended meetings with clients with chief architects.

## EDUCATION + TRAINING

### Feb. 2017

#### Statistic Course in SPSS

### Mar. & Nov. 2016

#### The SMoG International Workshops

### Sept. 2014 - Jan. 2017

#### M.Sc. in Architecture, Design for Sustainable Development

Department of Architecture

Chalmers University of Technology, Sweden

- Planning and Design for Sustainable Development in a Local Context, urban project in Skara, Västra Götaland  
- Architectural Heritage and Urban Transformation, building project in Forsåker, Mölndal  
- Design and Planning for Social Inclusion, participatory design project in Hammarkullen, Angered  
- Sustainable Development and the Design Professions  
- Architectural Conservation and Transformation  
- Academic writing

### Sept. 2008 - Jun. 2013

#### B.Eng. Architecture

School of Architecture and Environment

Sichuan University, China
