**LinkedIn:** linkedin.com/in/chrissielee15

 **Environmental awareness**

 **Communication**

 **Sustainability**

*"A PhD student focusing on the integration of **environmental management** into **operational improvements** for the **aggregate industry**, I have an ambition to contribute to more **sustainable solutions**."*

## Relevant Experience

### **June 2021 - Present: Project Assistant & PhD Student, Chalmers University of Technology**

Position within the CRPS group aiding in the EPD-Berg & DigiEcoQuarry projects.

#### **Key skills in:**

*Independent work, Academic writing, Environmental Standards*

### **Sep 2019 - June 2021: MSc. in Environmental Sciences, University of Gothenburg.**

Master's education with a 30-credit thesis project and sustainability focused courses.

*EMS, EIA, LCA, Environmental awareness, Data collection, Excel, GIS, Environmental impacts on society.*

### **Sep 2010- June 2014 B.Sc in Environmental Earth Sciences, University of East Anglia**

Undergraduate education achieving a 2:1 (Hons) with a year exchange at the University of Adelaide, Australia

*Exploration Geology, Paleoclimatology, Mineralogy.*

## Key Achievements:

- **Conducted an LCA for NCC Ballast.** As part of my master's thesis, I investigated how LCA can be used as part of the environmental management at quarry sites in Sweden, and, therefore, conducted an LCA using different tools to understand challenges and opportunities for environmental innovation in the production process.
- **Created a carbon emissions model for travel activities** for Bunkai AB. This was to help monitor their largest identified emissions activity as part of an environmental management system (EMS).
- **Key author for an online Environmental Course** at Miljöbron designed for fulfilling requirements of the Environmental Diploma for EMS issued by Svensk Miljöbas. The course aims to give all employees a foundation education within environmental sciences to be able to consider environmental aspects in their day-to-day tasks.

## Previous Education:

### **B.Sc within Environmental Earth Sciences, University of East Anglia. Location: England.**

Achieved a 2:1 (Hons) undergraduate degree within Environmental Earth Sciences with a year exchange program at the University of Adelaide, Australia.

### **A-Levels & GCSEs, Bexhill College & Claverham Community College. Location: England.**

Achieved 8 GCSEs at grades A\* and A; 3 A-Levels within Biology, Geology and Mathematics at grades A,A,B; and 2 AS-Levels within Photography and Politics, both at a B grade.

## Volunteer Experiences:

**Content creator, ASAP!, Sweden.** Responsible for creating interesting and relevant written content on sustainability aimed to promote a student training program on social media.

**Social Secretary, Environmental Society, UK.** During my undergrad, I was responsible for organising relevant social events for the student Environmental Society.

## Languages & Other Skills:

**English:** Native speaker

**Swedish:** Confident speaker with a C grade in 'Swedish as a Second Language 2' (Approximately C1 level based on the European Framework for Languages)

- Swedish B Driving License
- Digital Marketing Diploma, Shaw Academy

## Interests:

I am passionate about the environment, enjoying experiences that take me closer to nature. Out of this, I have developed a strong interest in sustainability and sustainable lifestyles.
