Curriculum Vitae

Magnus Rönn, 500129-5616

E-post: mronn@chalmers.se

Mobil: 070-5516007

1. Academic Degrees

2017 - Affiliated, Architecture and Civil Engineering, Chalmers University of Technology

2006, Qualified as professor in architecture by professor Anne Marie Wilhelmsen.

1998, Associate Professor, The School of Architecture, Royal Institute of Technology. Stockholm.

1990, PhD, The School of Architecture, Chalmers University of Technology,

2. Current position

2017 - Chief Editor for The Nordic Journal of Architectural Research

2016 - Vice President of The Nordic Association of Architectural Research.

2010 - Architect at the company Kulturlandskapet, KUL. Working part time as a consultant at KUL.

2004-2016, position as research director at School of Architecture, Royal Institute of Technology, KTH, Stockholm (part time)

3. Previous positions

1999-2004, director of research studies, The School of Architecture, KTH

1995-1999, Assistant professor at Royal Institute of Technology, KTH

1990-1995, position as researcher Chalmers University of Technology.

1982-1989, position as PhD Student at Chalmers University of Technology.

4. Postdoctoral Work

2003, postdoctoral scholarship at The Oslo School of Architecture and Design.

5. Teaching: Basic education and supplementary training

I am teacher in the following courses in basic education and supplementary training at the school of architecture: 1) Architecture for all: usability, inclusion and accessibility (AD245V) 2) Architecture, Quality and Assessment (AD250V) 3) Evaluating Architecture (AD242V) 4) The Architectural, Competition: Theory and Professional Practice (AD244V) 5) To Compete in Architecture and Urban Design (AD249V), 6) Architectural Competitions: Theory and Professional Practice (Advanced Level 4HT, A42SEH), 7) Tools for evaluation of Architecture (Advanced Level 4VT (A42SEV) and 8) Experiencing Architecture – 5 Classic book architectural experiences (Advanced Level 5 HT, A52SEH).

6. Supervisor: Awarded PhD students

2012, Stig Gustafsson, PhD Student. Co-supervisor his licentiate thesis "IT i Lokal-samhället".

2011, Jonas E Andersson, PhD, Main supervisor for his doctor's thesis "Architecture and Ageing. On the interaction Between Frail Older People and the Built Environment".

2010, Christina Bodin Danielsson, PhD. Main supervisor for her doctor's thesis "The Office – an explorative study".

2008, Charlotte Svensson, PhD Student, KTH. Main supervisor for her licentiate thesis "Architectural competitions, the art of finding a winner".

2008, Elisabeth Tornberg, PhD Student, KTH. Main supervisor for her licentiate thesis "Aesthetic design programs in town planning projects".

2007, Helene Carlsson, PhD Student, Bohusläns Museum. Main supervisor for her licentiate thesis "Bohuslänska gårdar som form och funktion".

2006, Charlotta Bergström, PhD Student, KTH. Co-supervisor for her licentiate thesis "Safety and Sustainability in the Community Planning Process".

2006, Christina Bodin Danielsson, PhD Student, KTH. Co-supervisor for her licentiate thesis "Office Environment, Health & Job Satisfaction".

- 2006, Jonas E Andersson, PhD Student, KTH. Main supervisor for his licentiate thesis, "Elderly – Architecture for Aged People Suffering from Dementia and Somatic Problems in Sweden".
- 2004, Eva Bergdahl, PhD. Main supervisor for her doctor's thesis "On Integrating Function in Urban Planning".

7. Opponent, evaluation committees

- 2016, opponent at Aalto University on Zheng Liang's doctoral thesis.
- 2016, quality evaluation at KTH on Bengt Sundborg's licentiate thesis.
- 2015, quality evaluation at KTH on H  lene Svahn's doctoral thesis.
- 2014, evaluation of applicant to Leeds Beckett University.
- 2014, evaluation of ETH Fellowship Application at ETH in Z  rich.
- 2014, evaluation of contributions to the anthology Architectural Competitions – Institution and Process.
- 2013, evaluation of contributions to the anthology Architectural Competitions – Histories and Practice.
- 2012, evaluation of papers to two special issue on competitions in a scientific journal (FORMakademisk, 2013:4; 2014:1)
- 2011, evaluation of a application as Associate professor at department of architecture, Chalmers
- 2011, evaluation of papers to two special issue on competitions in a scientific journal, Nordic Journal of Architectural Research (2009:2/3, 2012:1)
- 2010, mid-way opponent/ reviewer at Lund University on Tina Helle's doctoral thesis.
- 2010, opponent at Lund University on Mats Beckman's licentiate thesis.
- 2010, quality evaluation at KTH on Eva-Rut Lindberg's doctoral thesis.
- 2009, opponent at Ume   University on Katrin Holmqvist's doctoral thesis.
- 2009, evaluation of PhD Student applications at KTH (Excellence positions).
- 2008, opponent at NTNU (Trondheim) on Reidunn Rustad's doctoral thesis.
- 2008, evaluation of applications as Associate professor at Malm   University.
- 2006, member of the evaluation committee at Lule   University on G  za Fischl's doctoral thesis.
- 2003, opponent at the School of Architecture in Oslo on Lars Erik Nordland's doctoral thesis.
- 2003, evaluation of PhD Student applications at KTH (Excellence positions).
- 2003, evaluation of the PhD program at the School of Architecture, KTH.
- 2002, evaluation of a application as Associate professor at The School of Architecture, KTH.
- 1999, member of the evaluation committee at KTH for Ingemar   fverholm's doctoral thesis.
- 1999, member of the evaluation committee at KTH for Elenor Edward's doctoral thesis.
- 1999, evaluation of an application as Associate professor at Karlstad University.
- 1998, opponent at KTH on Jerker Brand's doctoral thesis.
- 1997, member of the evaluation committee at KTH for Rolf Johansson's doctoral thesis.
- 1997, opponent at KTH on the final seminar for Magnus Hunhamar's licentiate thesis.
- 1995, opponent at KTH on the final seminar for Torsten Bj  rkman's doctoral thesis.

8. Research Leader

I have been a research leader (Principal Investigator) for more than twelve research projects at the School of Architecture in Stockholm and the Department of Architecture at Chalmers. They have included both PhD students and senior researcher at the School of Architecture and Built Environment at KTH, Department of Architecture at Chalmers,   rebro University, University of Gothenburg, and Swedish University of Agricultural Sciences. The projects have included research, reviewing and editing articles in anthologies and scientific journals vid authors from Sweden, Finland, Norway, Denmark, England, Switzerland, Spain, Portugal, Netherlands, Germany, Greece and US.

9. Conferences and symposium

I have been member of organizing committees and/or scientific committees in the following Conferences and Symposia:

- 2019, The Nordic Symposium: *Approaches and Methods in Architectural Research*, in Gothenburg, June 13-14. (Member of the organizing committee)

- 2018, The Nordic Symposium: **BUILT ENVIRONMENT AND ARCHITECTURE AS A RESOURCE** in Seinäjoki, May 31- June 1. (Member of the scientific committee and organizing committee)
- 2017, The Nordic Symposium: **Reflecting Histories and Directing Futures** in Oslo and As, June 14-16. (Member of the scientific committee and organizing committee)
- 2016, The 6th International Conference on Architecture Competitions: **THE COMPETITION MESH: EXPERIMENTING WITH AND WITHIN ARCHITECTURE COMPETITIONS**, Leeds 27-29 October 2016. (Member of the scientific committee and organizing committee)
- 2016, the NAF symposium in Stockholm, 19-20 May: **The Production of Knowledge in Architecture by PhD Research in the Nordic Countries**. (Member of scientific committee and organizing committee)
- 2015, The 7th Annual Symposium of Architectural Research in Finland: **ARCHI+TECTONICS Architecture, Communities and Cities under Change**, October 22–24, 2015, Espoo, Aalto University. (Member of the scientific committee)
- 2014, Conference: **Compensation for exploitation of natural and cultural heritage**, 1-2 December, Gothenburg (Member of organizing committee and scientific committee)
- 2014, The 6th Annual Symposium of Architectural Research 2014 and The Annual NAF Symposium: **Designing and Planning the Built Environment for Human Well-Being**, 23-25 October, University of Oulu. (Member of scientific committee)
- 2014, International conference, International Conference ARCH14: **Research on Health Care Architecture**, 19-21 November, Helsinki. (Member of the scientific committee).
- 2014, International conference: **Conditions for Architect-Client Interactions**, 15-15 February, Delft. (Member of the scientific committee).
- 2012, International conference: **Architecture as Human interface**, 26-27 October, Helsinki. (Member of the organizing committee and scientific committee).
- 2011, **A Nordic symposium for the silver generation in Bologna**, 14-17 April, at the IAGGs (International Association of Gerontology and Geriatrics) VII conference. (Member of organizing committee).
- 2010, A National conference combined with a special seminar at KTH in Stockholm: **Research for older people's housing** (Member of organizing committee).
- 2010, A International conference at the Business School of Economics in Copenhagen: **Architectural Competitions**. (Member of the scientific committee).
- 2009, A Nordic conference combined with a special seminar at Vigs Ängar in Skåne: **Architecture for an Ageing Society**. (Member of organizing committee).
- 2008, A Nordic symposium at KTH in Stockholm: **Architectural Competitions**. (Member of organizing committee and scientific committee).
- 2005, A Nordic symposium at KTH in Stockholm: **Building the Future**. (Member of organizing committee and scientific committee).
- 2003, A National symposium at KTH in Stockholm: **PhD Education in Architecture**. (Member of organizing committee).
- 2002, A Nordic symposium at SLU in Uppsala: **Architecture Research**. (Member of organizing committee).
- 2000, A National symposium at KTH in Stockholm: **Architecture PhD research**. (Member of organizing committee).
- 1998, A Nordic symposium at KTH in Stockholm: **Architecture, Management and New thinking**. (Member of organizing committee and scientific committee).
- 1997, A National conference at KTH in Stockholm: **Health Care Buildings**. (Member of organizing committee).
- 1996, A National conference at KTH in Stockholm: **Building Design as academic subject**. (Member of organizing committee)
- 1992, International conference: **Theories and Methods of Design**, 13-15 May, Gothenburg, Sweden. (Member of organizing committee)

Magnus Rönn

Publications

1. Book and Anthologies, 2018-2002

- Rönn, M., 2018, Developer Competition as a Means for Combining Cost and Design, in (Eds) Kijisik, H., Nyholm, C., and de Vocht., S., 2018, *Doughnuts to Muffins, 30 Years of Urban planning*. Estonia: Rakennustieto Publishing.
- Rönn, M., 2018, Design Developer Competition. A study on innovation, architecture and affordable housing, Stockholm in (Ed) Menteth, W., *Competition Culture in Europe: Voices*, Project Compass CIC.
