

Curriculum Vitae

1957 Born in Lund

1975 17 point of 18 at the national mathematical olympiad

37 points of 40 at the international mathematical olympiad

1985 Ph.D. Title of the thesis: K-theory of Orders and their Severi-Brauer schemes

1986-1987 Two years at Univ. de Paris-Sud (Orsay) with a postgraduate grant from the Swedish natural research council.

1988 (January-May) Assistant professor at the University of Stockholm.

1988 (from June) -1991 Position at CNRS. Promoted to Chercheur 1ère class 1991.

1991 (from July) -1997 Non-permanent position as associate professor at ETH (Zürich).

1997-2003 (1/7 1997-30/6 2003) Special research position at NFR/VR in arithmetical algebraic geometry.

2003-2007 (until January) Associate professor at Chalmers University of Technology.

2007 (from February) - Professor at Chalmers University of Technology.

Prizes and rewards

1989 50 000 SEK from the Royal Academy of Sciences for research in Algebraic Geometry in connection with the Craaford prize.

1991 Wallenberg prize from the Swedish society of Mathematics.

2003 Ferner-Strömer prize from the Royal Academy of Sciences.

Activities as supervisor

1997 Marcello Robbiani presents his Ph.D. thesis at ETH (Zürich)

2001 Roger Bengtsson presents his licentiate thesis at Chalmers

2002 Niklas Broberg defends his Ph.D. thesis at Chalmers

2010 Oscar Marmon defends his Ph.D. thesis at Chalmers
