

Curriculum vitae of Jan Stevens

Associate professor at the Department of Mathematical Sciences, University of Gotheburg and Chalmers Institute of Technology.

- Born 1955 at Arnhem, The Netherlands.
- Undergraduate studies at Rijksuniversiteit te Groningen, 1973-1980.
- Ph.D., Rijksuniversiteit Leiden, 1985.
- Postdoc 1985–1986 Rijksuniversiteit Utrecht.
- ‘Hochschulassistent’ at the Mathematisches Seminar der Universität Hamburg, Germany, 1987–1994
- Academic year 1989/90 Visiting Assistant Professor at the University of Utah, USA.
- Research Fellow at the Mathematics Institute, University of Warwick, England for 6 months in 1993.
- ‘Habilitation’ at the Fachbereich Mathematik der Universität Hamburg, 1994.
- Academic year 1994/95 Lecturer, University of Warwick.
- Since 1995 Universitetslektor at the University of Gothenburg.
- Docent in Mathematics, University of Gothenburg, 1999.
- Research at Institut Mittag-Leffler november 2006 and april 2011.
- Reviewer for Zentralblatt and Mathematical Reviews.
- Member of the American Mathematical Society, Deutsche Mathematiker-Vereinigung, Svenska Matematikersamfundet and Wiskundig Genootschap.
