OTHER EXPERIENCE

- 2017 **Electronic Media Chair for GECCO 2017**
Centrum Wiskunde & Informatica, Amsterdam, NL. I worked on back-end, front-end, and maintenance of the website and social pages of GECCO. A noteworthy contribution is the proposal of a new style that would fit and modernize the website of the conference (shapely theme). From 2017 onward, GECCO's website has a new face.
- 2017 **Member of PhD Activity Committee**
Centrum Wiskunde & Informatica, Amsterdam, NL. I organized and help organizing recreational events and activities.
- 2014–2015 **Volunteer for ASsociation TRIestina Ospedaliera (ASTRO)**
Burlo Garofalo pediatric hospital, Trieste, IT. I was keeping company and entertaining hospitalized children.
- 2012–2014 **Member of Electrical Engineering STudents' European assoCiation (EESTEC)**
University of Trieste, Trieste, IT. I helped with the organization of recreational international summer schools and was first responsible for the organization of some events, among which a seminar on job opportunities after the studies (What's Next, speakers eng. Erni Durdevic, eng. Giorgio Faustini, prof. Eric Medvet), and a seminar on Machine Learning (speaker dr. Andrea de Lorenzo).
