

# NPD 2022

## Nordic Polymer Days

1-3 June, Gothenburg, Sweden

The Nordic Polymer Days is an annual meeting for all those interested in polymer science and engineering. A warm welcome to the NPD 2022 at Chalmers, Johanneberg campus, Gothenburg, Sweden

- Meet the polymer experts in the Nordic countries
- Strengthen your scientific networks
- Listen and present current research work
- Get inspired!

# Confirmed Speakers

## Plenary lectures:

- Lars Wågberg, KTH, Sweden
- Herbert Sixta, Aalto University, Finland

## Invited lectures:

- Ellen Moons, KAU, Sweden
- Staffan Schantz, AstraZeneca, Sweden
- Anders Egede Daugaard, DTU, Denmark
- Anne Ladegaard Skov, DTU, Denmark
- Sotirios Grammatikos, NTNU, Norway
- Tekla Tammelin, VTT, Finland
- Igor Zouzoulenko, LiU, Sweden

# Scientific topics

Biobased Macromolecules

Sustainability, Recycling and Biodegradable Materials

Polymerization and Advanced Polymer Synthesis

Rheology and Mechanical Properties

Advanced Processing and Manufacturing Methods

Polymer Composites and Nanocomposites

Degradation and Stabilization

Advanced Characterization and Computational Methods

Polymers in Pharmaceuticals and Biomedicine

Polymers for Electrical and Electronic Applications

Functional Polymers and Polymers for Emerging Applications

## Important dates

- Abstract submission opens: February 1, 23:59 CET
- Abstract submission deadline: March 10, 23:59 CET
- Accepted abstracts notification: April 12, 23:59 CET
- Early bird registration deadline: April 22, 23:59 CET
- Registration deadline: May 3, 2022, 23:59 CET
- NPD 2022 opens: June 1, 13:00 CET
