

Swedish Communication Technologies Workshop (Swe-CTW)

1-2 June 2017, Göteborg

Call for papers

www.chalmers.se/en/departments/s2/Swedish-Communication-Technologies-Workshop-2017/

Workshop Chairs:

Tommy Svensson
Lars Kildehøj

Local Arrangements Chair:

Agneta Kinnander

Workshop Steering Committee:

Lars Kildehøj, KTH Royal Institute of Technology (Chair)
Mohammad Imadur Rahman, Ericsson Research (Vice-Chair)
John B Anderson, Lund University
Anna Brunström, Karlstad University
Ove Edfors, Lund University
Gunnar Karlsson, KTH Royal Institute of Technology
Johan Karlsson, Lund University
Peter Karlsson, Sony Mobile
Björn Landfeldt, Lund University
Erik G. Larsson, Linköping University
Buon Kiong Lau, Lund University
Maja Loncar, Renesas Mobile Engineering
Sven Nordebo, Linnaeus University
Evgeny Osipov, Luleå University of Technology
Björn Ottersten, KTH Royal Institute of Technology
Stefan Parkwall, Ericsson Research
Fredrik Rusek, Lund University
Mikael Skoglund, KTH Royal Institute of Technology
Mikael Sternad, Uppsala University
Erik Ström, Chalmers University of Technology
Tommy Svensson, Chalmers University of Technology
Fredrik Tufvesson, Lund University
Elisabeth Uhlemann, Halmstad University
Leif Wilhelmsson, Ericsson Research
Jens Zander, KTH Royal Institute of Technology
Hans-Jürgen Zepernick, Blekinge Institute of Technology

Workshop announcement

The 2017 Swedish Communication Technologies Workshop (Swe-CTW'2017) will be held at Chalmers University of Technology on June 1st- June 2nd, 2017. Swe-CTW'2017 will bring together researchers and research students in the general area of communication technologies and related areas.

The workshop provides an opportunity for researchers and research students to gather in a largely informal setting to share ideas, make contacts, and foster new collaborative links for the future. The workshop will feature tutorials, poster presentations of submitted abstracts, and invited talks by the top nominated papers for the IEEE VT/COM/IT Sweden Best Student Paper Awards.

This year's workshop will be a co-located event with IEEE SPS Summer School on 5G <http://5g.ellintech.se/> which is held at Chalmers May 29-June 1. Swe-CTW delegates are invited to register to attend the tutorials on June 1. The program for Swe-CTW will start on June 1, at 17.30 with a poster session and mingle with participants from IEEE SPS Summer School on 5G.

Poster abstract submission

Submit an Abstract for a poster presentation during the workshop. Submitted abstracts can be from published, submitted, or previously unpublished material in the general areas of communication technologies and related areas. Submit abstract to Swe-CTW@gmail.com at the latest March 26, 2017.

Nominate journal and papers

Nominate best journal and conference papers for the IEEE VT/COM/IT Best Student Paper Awards

- IEEE Sweden VT-COM-IT Joint Chapter Best Student Journal Paper Award
- IEEE Sweden VT-COM-IT Joint Chapter Best Student Conference Paper Award

The top five nominated papers will be invited for oral presentations during the workshop. Further details about the nomination process for the above paper awards, eligibility, selection criteria, deadlines, selection process, and presentation can be found at this link:

<http://sites.ieee.org/sweden-vtcomit/best-student-paper-award>.

Poseidon

Submission of abstracts for poster presentation: March 26, 2017
Notification of abstracts acceptance: April 7, 2017
Registration deadline (for speaker and poster presenters): April 15, 2017
Registration deadline for one-day registration to IEEE SPS Summer School on 5G June 1: April 15, 2017

For registration and further information check the workshop website at: <http://www.chalmers.se/en/departments/s2/Swedish-Communication-Technologies-Workshop-2017/>

If you have questions about the workshop please send an e-mail to tommy.svensson@chalmers.se
