

OSO 20 m schedule

April 2010

Date	Day	UT	0	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23		
		<i>LST</i>											0												12			
2010-04-01	Thursday		Maintenance																									
2010-04-02	Friday																	12:09 Gahm										
2010-04-03	Saturday		10:09 Bjerkeli																									
2010-04-04	Sunday																											
2010-04-05	Monday																											
2010-04-06	Tuesday																	Geo-VLBI R1425										
2010-04-07	Wednesday																	Geo-VLBI RD1003										
2010-04-08	Thursday																											
2010-04-09	Friday																	13:09 Juvela										
2010-04-10	Saturday																											
2010-04-11	Sunday																											
2010-04-12	Monday																	Geo-VLBI R1426										
2010-04-13	Tuesday																											
2010-04-14	Wednesday																	13:09 Juvela										
2010-04-15	Thursday																											
2010-04-16	Friday																	Student lab.										
2010-04-17	Saturday																	12:09 Gahm										
2010-04-18	Sunday		10:09 Bjerkeli																									
2010-04-19	Monday																	Geo-VLBI R1427										
2010-04-20	Tuesday																											
2010-04-21	Wednesday		Maintenance																									
2010-04-22	Thursday																											
2010-04-23	Friday																	Student lab.										
2010-04-24	Saturday		10:09 Bjerkeli																12:09 Gahm									
2010-04-25	Sunday																											
2010-04-26	Monday																	Geo-VLBI R1428										
2010-04-27	Tuesday																											
2010-04-28	Wednesday		Maintenance																									
2010-04-29	Thursday																	12:09 Gahm										
2010-04-30	Friday		10:09 Bjerkeli																									
		<i>LST</i>											0												12
