

OSO 20 m schedule

November 2012

		UT	0	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23
Date		LST									12											0				
12-11-01	Thursday		X-band																							
12-11-02	Friday																									
12-11-03	Saturday																									
12-11-04	Sunday																									
12-11-05	Monday																									
12-11-06	Tuesday		22GHz																							
12-11-07	Wednesday																									
12-11-08	Thursday																									
12-11-09	Friday																									
12-11-10	Saturday																									
12-11-11	Sunday																									
12-11-12	Monday		(3mm installation, 2 days ?)																							
12-11-13	Tuesday																									
12-11-14	Wednesday		tbd (3mm start ver. tests, unti 3/12 ?)																							
12-11-15	Thursday																									
12-11-16	Friday																									
12-11-17	Saturday																									
12-11-18	Sunday																									
12-11-19	Monday		Astronomy course																							
12-11-20	Tuesday																									
12-11-21	Wednesday		tbd																							
12-11-22	Thursday		EUR120										S/X													
12-11-23	Friday																									
12-11-24	Saturday																									
12-11-25	Sunday																									
12-11-26	Monday												R1561 RD1209													
12-11-27	Tuesday																									
12-11-28	Wednesday																									
12-11-29	Thursday		tbd																							
12-11-30	Friday
